## Securitisation

I confirm that you may securitise any mortgage that I may have with you. I understand that securitisation typically involves you transferring all or some of the rights and duties that go with the mortgage to an investor who normally asks you to carry on administering them as though your own. So that, for example, following securitisation you would normally continue to collect payments and should I experience any difficulties in making payments, or have any queries, I should contact you.

## Use of information

In considering your application, we will search your personal record at one or more Credit Reference Agencies. They will add to your records details of our search and your application and this will be seen by other organisations that make searches. Information held about you by the Credit Reference Agencies may already be linked to records relating to one or more of your partners. For the purposes of this application, you may be treated as financially linked and your application will be assessed with reference to any "associated" records.

If you are a joint applicant or if you have told us of some other financial association with another person you must be sure that you are entitled to:

- disclose information about your joint applicant and anyone referred to by you
- authorise us to search, link or record information at Credit Reference Agencies about you and anyone referred to by you

An "association" between joint applicants and between you and anyone you tell us is your financial partner will be created at Credit Reference Agencies. This will link your financial records, each of which will be taken into account in all future applications by either or both of you. This will continue until one of you successfully files a disassociation at the Credit Reference Agencies.

We may use a credit scoring or other automated decision making system when assessing your application.

We will also add to your personal record with one or more of the Credit Reference Agencies, details of your agreement with us, the payments you make under it, any default or failure to keep to its terms and any change of address you fail to tell us about where a payment is overdue. These records will be shared with other organisations and used by us and them to trace debtors, recover debt and to manage your accounts or insurance policies.

We may also make periodic searches at Credit Reference Agencies and Fraud Prevention Agencies to manage your account with us.

Information on applications will be sent to Credit Reference Agencies and will be recorded by them, including information on your business and its proprietors and Credit Reference Agencies may create a record of the name and address of your business and its proprietors if there is not one already.

If false or inaccurate information is provided and fraud is identified, details will be passed to Fraud Prevention Agencies.

Law enforcement agencies may access and use this information.

We and other organisations may also access and use this information to prevent fraud and money laundering, for example, when:

- checking details on applications for credit and credit related or other facilities
- managing credit and credit related accounts or facilities
- recovering debt
- checking details on proposals and claims for all types of insurance
- checking details of job applicants and employees

Please contact us on 0800 375 720 if you want to receive details of the relevant Fraud Prevention Agencies.

We and other organisations may access and use, from other countries, the information recorded by Fraud Prevention Agencies.

You have a right to receive a copy of the information we hold about you if you apply to us in writing. A fee may be payable.
